

# Dance by Chance

Get Set 4  
Education

**What you need:** random objects

## How to play:

- Choose 10 objects that can be safely thrown e.g. feather, sponge, towel.
- In a safe area, throw the object into the air and observe the way it travels in space and the dynamics of the movement to create your own actions inspired the object.
- Number each object 0-10.
- Use your the first 10 numbers from a familiar phone number to give you the order for your actions.

**Add music to your dance if you would like.**
