Message from Mr Butler

It has been another exciting and busy week at Butlers Court, and despite the mixed weather, we have thoroughly enjoyed celebrating the school's 60th anniversary!

We were delighted to welcome former pupils into assembly on Monday, who shared their memories of their time here as children. And then on Tuesday, we were thrilled to welcome back Mr Asbury, who served as headteacher here for 27 years, and who entertained the children with some wonderful stories and memories. Today, we were also pleased to hear from Mrs Marshall, my predecessor, who spoke warmly about her time as the third headteacher at Butler's Court.

On Wednesday, the weather thankfully held long enough for our whole-school photograph – the children behaved brilliantly, and we look forward to sharing the final picture with you soon. What a great memento of our special week.

And then yesterday evening, it was fantastic to see the children enjoying themselves at the discos in the marquee. My thanks go to the PTA and all the helpers for organising such a memorable event, and to Dave the Disco for being a fab host for the evening.

Today has been a wonderful celebration, with children and staff looking fabulous in their 1960s outfits. They enjoyed music on the playground, a picnic lunch, and this afternoon we buried a time capsule filled with children's work and mementos from Butlers Court in 2026 – what a lovely way to celebrate our special anniversary.

I look forward to continuing our celebrations tomorrow at the Summer Ball on the field, and I hope to see many of you there for what promises to be a fantastic evening. Again, my huge thanks go to the PTA Ball Committee for their hard work and dedication for what I'm sure will be a fantastic evening.

A couple of reminders: please can we ask that parents discuss lunch choices with your children in advance, as we are not always able to swap meals due to the quantity and preparation requirements. Some children have not wanted the meal that has been ordered for them recently. Thank you.

Finally, next Friday will be a non-uniform day when children may wear their own clothes in return for bringing a donation for the PTA Summer Fair on July 4th.

Working Together Towards Smartphone-Free Schools

We are pleased to share that 31 local schools have come together to support a shared approach to delaying children's access to smartphones and social media, helping to create a healthier digital culture for young people in our community. A letter from the consortium has been sent to us today, encouraging families to support the move towards smartphone-free policies. A copy of the letter is attached to the email accompanying this newsletter.
