Message from Mr Butler

Good afternoon

What a busy and successful Butlers Court week we've had again!

A huge well done to all our children who took part in sports days on Wednesday and Thursday. Every child competed brilliantly, showing real determination and our school value of resilience. It was wonderful to see them supporting and cheering on their peers throughout the events. Thank you to everyone who came along to watch – I hope you enjoyed it as much as we did!

The winning teams were:

- **Early Years:** Chess
- **Years 1 & 2:** Misbourne
- **Years 3 & 4:** Thames
- **Years 5 & 6:** Misbourne

Our overall winners were Misbourne – congratulations to them, but also all of our competitors!

Well done to all our Year 3-6 athletes who represented the school at the District Sports event at Little Marlow athletics track on Monday. This prestigious event has 12 schools taking part, and our children performed with real resilience and determination again; many came away with 1st, 2nd and 3rd place certificates. A big thank you to all the parents who came to cheer the children on and helped with transport – your support was much appreciated.

Our Key Stage 2 children thoroughly enjoyed meeting author Phil Earle on Wednesday. The children loved hearing his stories and learning about why he became a writer – it really inspired them to develop their own writing. You can find out more about his books by visiting his website [here](#).

Looking ahead, we have our transition day Tuesday when Year 6 will be visiting their secondary schools for their transition day – good luck to all of them! We also welcome our new Giraffes and Pandas for the last of their Stay and Play sessions here with us that day. All other children will be meeting their new teachers Tuesday as well - we'll share details of class teachers with parents on Tuesday too.

Thank you so much for your support, patience and understanding again during last week's hot weather. The forecast suggests we may have another heatwave next week. We will of course let you know on Monday if there are any changes to the school day however, we will endeavour to keep the school as fully operational and normal, as possible. In the meantime, if you were able to bring in a fan last week, we would be grateful if you could please bring it in again if possible – they were very much appreciated. We will of course continue with our hot weather measures: encouraging children to drink plenty of water, keeping blinds down, and reducing breaktimes where necessary. Thank you in advance for your understanding and support.

I hope to see many of you at our PTA summer fair tomorrow. As always, huge thanks to the PTA for all their hard work organising this event – I'm sure it will be a fantastic day! Have a lovely weekend and enjoy the sunshine!

Mr Butler

What's Happened this Week

Wye Valley District Sports

A fantastic performance from the Butlers Court athletics team at the Wye Valley District Sports at Little Marlow yesterday. Our children showed great determination and resilience as they competed against 11 other schools, earning an impressive number of first, second and third place certificates. It was wonderful to see everyone supporting and cheering each other on. Well done to all our competitors, and thank you to our parents for your support and help with transport.

EYFS Sports Day

Congratulations to our Giraffes and Pandas on a fantastic first-ever Butlers Court Sports Day! The children showed great determination, resilience and teamwork, and a wonderful morning was enjoyed by all. Thank you to our staff, Year 5 and 6 helpers, and everyone who came along to support.

KS1 and KS2 Sports Day

Well done to all our Key Stage 1 and Key Stage 2 children for a fantastic Sports Day! They showed great determination, sportsmanship and support for one another, making it a wonderful day of competition. Thank you to our staff for organising the event and to all the parents who came along to cheer the children on.

This Week's Achievement Certificates

We would like to congratulate all the following children who were awarded an Achievement Certificate in our End of Week Celebration Assembly today. All of them have produced some great work, shown positive behavior or demonstrated our school values of kindness, respect, resilience, honesty, tolerance or responsibility over the last week. Well done all of you!
