

Butlers Court School

Our Butlers Court family nurtures kind, resilient, ambitious and curious children. Our caring environment supports well-being and self-belief, encouraging everyone to flourish. Through a wide range of experiences and opportunities, every child has the chance to shine, developing a love of learning and prepared for the ever-changing world and a future of possibilities.

Accessibility Plan

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- › Increase the extent to which pupils with disabilities can participate in the curriculum
- › Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- › Improve the availability of accessible information to pupils with disabilities

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

3. Contextual Information

The Butlers Court School buildings and playgrounds are accessible for children and visitors in wheelchairs.

Butlers Court has children with a range of disabilities which include Autistic Spectrum Disorder, Attention Deficit Hyperactivity Disorder, food allergies, Down Syndrome, Juvenile Arthritis, Scoliosis, Supraventricular Tachycardia, Mosaic Turners Syndrome, Hyper-mobility and genetic disorders. When children enter the school with specific needs or disabilities, the school liaises with the LA professionals and specialists for assessments, support and guidance for the school and parents.

We have a few children who have asthma and all staff are aware of these children. Inhalers are kept in classrooms.

Additional inhalers and epi pens are kept in the medical room for emergencies.

All medical information is collated and available to staff in the class folders.

All medication is kept in the medical room. Medicines are stored in the specific 'Medicines Only' fridge in the staffroom and all parents complete a consent form outlining details of the medication.

3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
