Message from Mr Butler

Welcome back to a new school term! I hope you all had a wonderful summer, filled with fun, relaxation, and special time with family and friends.

It has been lovely to see all the children back at school, and I am delighted to report that the first two days have been really settled. I visited all children in their new classrooms yesterday and it was lovely to see them all enthusiastic for the year ahead and engaged in their learning. Our new staff and pupils have quickly begun settling into routines and life at Butlers Court, and I would like to extend a particularly warm welcome to our new Giraffes and Pandas in Reception and all the new families joining us across the school. We are delighted to have you as part of our community and hope you will be very happy here.

The children have been excited to discover the improvements made to the school over the summer, especially the new table tennis tables on the Key Stage 2 playground and the Bubble Sensory Garden. I am sure both will be fantastic additions and enjoyed by many children throughout the year.

In Key Stage 2, we have begun trialling a new early morning routine, allowing children to spend time outdoors with their friends before entering the classroom. Thank you to everyone who has shared feedback so far. We will continue to review how it works over the coming weeks. Judging by the children's enthusiasm yesterday, it certainly appears to be a popular change!

The week after next, parents will have the opportunity to meet their child's class teacher. Further details will be included in next week's briefing. Please also check the school website regularly for key dates and events coming up later in the term.

A few reminders for the term ahead:

- Children may wear either their summer or winter uniform this term. Full details can be found on the school website.
- For health and safety reasons, earrings should not be worn to school. If ears have been recently pierced, please ensure children wear plastic retainers instead.
- Long hair should be tied back, and please can any holiday hair braids be removed before attending school.
- Mobile phones are not permitted in school. The only exception is for Year 6 pupils, who may bring a basic mobile phone (not a smartphone) with prior parental permission. A letter and permission slip will be sent home next week with further details.

I am sure that this will be a wonderful and successful year for everyone at Butlers Court and I thank you, as always, for your continued support.

I hope you all have a lovely weekend.

Mr Butler
