Message from Mr Butler

Good afternoon

It's the end of another busy week at Butlers Court and there are now just nine days until the half-term break; time is certainly flying and Autumn seems to be definitely with us. Please can I remind you that all children are expected to wear their school winter uniform after the half term break.

Firstly, I must say a well done to our Year 5 and Year 6 football teams, who represented the school brilliantly in the District 7-a-side Finals last Saturday. Both teams performed with great determination and team work, with the girls narrowly missing out in a closely contested semi-final. We wish our Year 5 girls' team the very best of luck for their upcoming fixture next Tuesday.

Today, our Year 5 pupils returned from their exciting three-day residential visit to Woodrow House. The children had a fabulous time taking part in a range of activities, including high ropes and climbing, while also enjoying time with friends and plenty of delicious food. Thank you to the staff who accompanied the children and made the trip such a success – we couldn't do it without you!

Thank you to all the parents who joined us for the Early Years parents' meeting on Tuesday. It was great to see so many of you there; a child's success at school is very much built on a successful partnership between home and school. Thanks again and I hope you found the session both informative and useful.

We have also been fortunate to welcome two inspiring authors to school this week. Emma Carroll visited Key Stage 2 pupils, while Rachel Bright and Jim Field spent time with our Early Years and Key Stage 1 children. These visits are always a fantastic opportunity to encourage children's love of reading and writing.

A reminder that online Parent Consultations will take place on Monday 19th and Wednesday 21st October. Please ensure you have booked your appointment via the online system.

We are delighted to launch a new Tuesday morning Athletics Club with Kudos, which will be a valuable addition to our extra-curricular programme. Please see details below - I hope many children will take advantage of this opportunity.

Thank you to everyone who has contributed to the school's Enrichment Fund. Your generosity is greatly appreciated; we would not be able to offer everything we do here if it wasn't for parents' additional support. This year we hope to use this fund to support a building project to support Year 1 and our wraparound care provision.

Finally, please remember to park considerately and safely around the school site, particularly during club drop-off and collection times, when staff vehicles may also be moving around the car park.

Thank you for your continued support. We hope you have a wonderful weekend and look forward to another busy and exciting week ahead.
