

Message from Mr Butler

Happy New Year and welcome back to the new school term! I hope you all had an enjoyable and relaxing festive break. I must start by saying thank you to all of you for the generous gifts you kindly brought in for staff before the break. Your thoughtfulness was very much appreciated.

Unfortunately, when we arrived at school today for our inset day, we noticed that after the particularly cold weather, we had a burst pipe in one of our Year 1 classrooms which has caused some damage. Consequently, class 1KB, will be working in one of our spare classrooms this week while the necessary repairs are carried out. I would like to express my gratitude to Mr. Hadaway in organising the repairs and Miss Bassett and the teaching staff for their cooperation and the relocation of the class 1KB teaching space and resources today.

In light of the recent cold weather conditions, I would like to remind you to stay updated with all school communications, particularly regarding any potential school closures due to adverse weather. Any decision to close the school will not be taken lightly and will only occur if it is unsafe for staff and children to travel or if we do not have sufficient staff available. We will notify all parents via the School Gateway app as early as possible and will also update the Bucks County School Closures website in the event of any closure. Teachers and learning activities will be accessible on Google Classroom if the school is unable to open.

As we continue to experience cold weather, please ensure that your children are dressed appropriately for the conditions. We aim to take children outside for break times as much as possible, so it is important that they are warm and comfortable. Please also remember to label all items of clothing.

Thank you for your continued support and cooperation. Should you have any questions or concerns, please do not hesitate to reach out.

I look forward to seeing you all tomorrow.

Mr Butler

Just a reminder to all parents to please keep a close eye on children in the drive and car park areas. Last term unfortunately a child on a scooter went into a car that was driving through. Thankfully there was no damage and no one was hurt, but it was a bit of a shock for those involved. We'd really appreciate everyone's help in supervising children closely so we can keep the area safe. Thank you for your support.

What's happening this week
