

Weekly Briefing

Message from Mr Butler

Good afternoon

Another busy Butlers Court week over – I can't believe we only have three weeks of this term left!

I must say well done to Year 6, who have created beautiful lanterns today for the upcoming Festival of Lights parade in Beaconsfield New Town next Wednesday. I'm sure that it will be another vibrant display of festivity and colour next week, and I encourage you all to join us for the parade at 7:00pm. Our choir will also be performing at 6:25pm that evening, which promises to be another festive celebration.

Well done Class 6BW yesterday for your class assembly yesterday – it was great to hear all that you had been learning this term, and we all certainly loved The Traitors theme!

Thank you to the Year 5 PTA representatives who organised the KS2 film night last Friday; it was an enjoyable evening for all. It also was lovely to see so many of you online at our PTA meeting on Monday. Your efforts in raising funds for our school are greatly appreciated. Please note that the PTA will be collecting donations for our Christmas Fair on 12th December next Friday. This is not a non-uniform day however.

I would like to remind you that Mrs Gilks and our Eco-Warriors are organising another Book Swap after school on Wednesday, as well as a second-hand Christmas Jumper sale after school on Friday. These initiatives are excellent opportunities to recycle and contribute positively to our environment. Well done and thank you all of you

Please can I remind you all that we have the School Nursing Team in next Wednesday to administer flu vaccinations to all children. The nursing team have shared details of the process with all parents, however please contact us if you have any questions.

Lastly, please can I ask parents to ensure that you park considerately and safely, especially on Grove Road, where we have recently received reports of unsafe and inconsiderate parking. It is essential that we all prioritise the safety of our children and parents when parking in the vicinity of the school.

Thank you for your continued support and involvement in our school community.

Question of the Week

We are excited to introduce **Question of the Week** across our school as part of our ongoing oracy journey. Each Friday in assembly, we will share a thought-provoking question designed to spark curiosity, encourage deeper thinking, and inspire meaningful conversations. Teachers will revisit the question throughout the week in class, and we warmly invite families to continue these discussions at home. By talking, wondering, and exploring ideas together, we can strengthen children's confidence, communication skills, and love of learning. Thank you for supporting our shared commitment to developing every child's voice.

This week will be - Would you rather time travel into the past or future?
