Message from Mr Butler

Good afternoon

Welcome back to the Summer term! I hope you have all had an enjoyable and relaxing Easter break – the weather was certainly lovely last week; I hope you managed to make the most of it.

It's been very busy over the break as always at school. It was lovely seeing some of our children at the Samurai Camp during the first week – I hope you all enjoyed it.

We also had the builders on site throughout the 2 weeks and I'm pleased to say that the new Key Stage 1 and 2 playground toilets are now completed. I'm sure the children will enjoy the cleaner and smarter facilities and it will be certainly easier for staff to monitor and supervise the Key Stage 1 children. Please see some photos of the new toilets below – we are really pleased with them and would like to thank all of you again who have contributed to our [School Enrichment Fund](#) which has partly funded this improvement project.

Please can I remind you that when we return to school tomorrow, children may wear their summer uniform – including polo shirts and summer dresses if they wish. Please see our website [here](#) for further details of our school uniform policy.

As we start what will be a busy term again, please see some key dates for your calendar here. The website calendar will be updated this week too:

Please can I remind you that Misbourne House have a non-uniform day on Friday after winning our housepoint competition last term – well done Misbourne! Who will win this term I wonder...?

As some of you may have noticed, there are signs up along Grove Rd, saying that there will be no parking along the road due to road works tomorrow and Wednesday. Please make arrangements and adjust your journeys as necessary.

I look forward to seeing you all back at school tomorrow – I'm sure it's going to be another exciting term ahead for everyone at Butlers Court.

Mr Butler

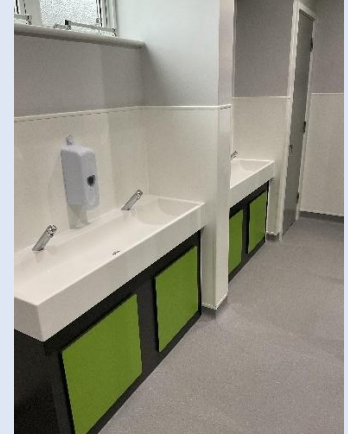

WORLD MATHS DAY

On Wednesday 25th March, Butlers Court celebrated World Maths Day 2026 with our own Butlers Court Logical Thinking Championship! All children practised their strategic thinking skills as they competed over connect 4, culminating with the ultimate Key Stage final on the playground at lunch. We were also lucky enough to welcome a parent to share with us how Maths could help them in the future. Well done to all of our mathematicians.
