Resilience, Honesty and  
Responsibility*

## Message from Mr Butler

Another busy and successful week done, helped along by some beautiful spring sunshine!

Well done to our Year 5 pupils who completed their Bikeability cycling course this week – they showed great determination and behaviour, developing skills on the playground before confidently applying them on local roads – a valuable life skill for all. Well done all of you!

On the sports field, congratulations to our Netball A and B teams who played Robertswood on Monday, and to our Year 5 footballers who took part in a district 6-a-side tournament at Robertswood. The teams all played with real enthusiasm and teamwork, especially impressive as many of the footballers were representing the school for the first time.

We are delighted to welcome Matt Linford as our new Parent Governor. Thank you to everyone who stood for election and to those who voted – your support for this important role is much appreciated.

This morning, I attended a meeting with headteachers from across Beaconsfield, Marlow, Bourne End, Flackwell Heath and Iver, alongside Joy Morrissey MP, to discuss the impact of smartphones on children's wellbeing and the government's proposed changes regarding mobile phone use in schools which you may have heard of in the media recently. I will update you further in the coming weeks.

## Head Lice

We have received reports of a number of head lice cases across the school this week. We kindly ask that all children are checked regularly and treated if necessary to help prevent further spread. Thank you for your cooperation.

Finally, good luck to all our pupils, staff and parents taking part in the London Mini-Marathon tomorrow. Fingers crossed for sunshine. Next week, all children will also take part in our own school mini-marathon, aiming to run two miles over the course of the week.

Have a lovely sunny weekend and thanks again for your continued support.

Mr Butler

## What's Happened this Week

Week 2 of the ducklings in the EYFS and they have been growing quickly and becoming very inquisitive. They have loved nothing more than watching the children and chirping 'hello' when they arrive in the morning.

On Thursday, the Year 5 boys represented Butlers Court in a football tournament against other local schools. They played with resilience, determination and fantastic sportsmanship. There were some excellent saves and scoring opportunities, with one goal from Shiv! Well done boys!

Year 1 has started our new Science topic all about Plants. They have put on their gardening gloves and got their trowels out to plant some flowers in our flower bed. They are looking forward to seeing them grow over the next few months!

### This Week's Achievement Certificates

We would like to congratulate all the following children who were awarded an Achievement Certificate in our End of Week Celebration Assembly today. All of them have produced some great work, shown positive behaviour or demonstrated our school values of kindness, respect, resilience, honesty, tolerance or responsibility over the last week. Well done all of you!
