Kindness, Resilience,  
Honesty and Responsibility***

## Message from Mr Butler

We have reached Friday already after a short week, following the bank holiday weekend; I hope you have all managed to enjoy the extra day.

It has been another busy and positive week at Butlers Court, finishing today with us all celebrating the 100th birthday of Sir David Attenborough. We all watched a video about his life and work, and he has been mentioned several times in our assemblies this week as a wonderful example of curiosity, perseverance, and care for the natural world.

I would like to thank all of the Year 1 parents who attended the phonics session on Wednesday - I hope you found it useful. It was also lovely to welcome so many of you into school for our open afternoon after school Wednesday, with the children proudly showing off their work in their classrooms. I hope you found this an interesting and worthwhile opportunity to see your children's learning in action.

Well done to the Year 5 netball team, who were awarded the teamwork prize at their competition at Beaconsfield High School on Wednesday, and to the Year 4 football team, who won five of their seven games at the football festival held at Farnham Common yesterday. Such great determination, sportsmanship and teamwork from all wearing the Butlers Court blue again this week!

Thank you to everyone who responded to our mobile phone survey last week. We received 149 responses, and we will be writing to you next week to share the decisions we have made regarding mobile phones at Butlers Court.

We wish Year 6 all the very best next week as they undertake their End of Key Stage Assessments (SATs). Please can we ask that all Year 6 children are in on time next week.

The following week, beginning Monday 18 May, is National Walk to School Week. We will be marking this in school and hope many of you will be able to walk, scooter or cycle to school. Our message throughout the week will be promoting healthier lifestyles, environmentally friendlier ways of travelling to school, and everyone being much safer in our local community on the paths and roads. Children will be given a card next week to record how many times they have walked, scooted or cycled, and staff and our house captains will be out during the week stamping children's cards. During the week, we would also like to run a Safer & Healthier Travel to School poster competition for children.

**Please can we remind you that we have a children's disco on Thursday 11 June in the marquee on the field:  
Key Stage 1: 3.30pm – 4.30pm and Key Stage 2: 5.00pm – 6.00pm. Tickets cost £5 and will be sent home via class lists today.**

You will have received an email regarding a Maths Parent workshop for parents of children of all ages on Wednesday 20th June. This workshop will provide ideas and advice on how to support your child with Maths at home in a fun, stress-free way. Please take a look at the email and register your interest through the Google Form included.

Lastly, please remember that it is the Beaconsfield Charter Fair on Monday meaning that there will be parking restrictions and road closures around the new town that day.

Thank you, as always, for your continued support. I hope you all have a lovely weekend.

Mr Butler

# What's Happened this Week

## Year 4 Football Festival

Our Year 4 football team played seven other local schools on Thursday afternoon. They displayed fantastic teamwork, winning five, drawing one and losing only one match. A special mention to Freddie who won the 'positive play award for his encouragement and positive attitude. Well done Year 4!

## Year 5 Netball Tournament

The year 5 netball team won the teamwork award at the tournament today. Encouraging and helping each other and the other teams. They played with great resilience.

## This Week's Achievement Certificates

We would like to congratulate all the following children who were awarded an Achievement Certificate in our End of Week Celebration Assembly today. All of them have produced some great work, shown positive behaviour or demonstrated our school values of kindness, respect, resilience, honesty, tolerance or responsibility over the last week. Well done all of you!
